

GFOA & IGFOA Meeting Agenda

May 20-25, 2023 Portland, Oregon

GOALS

The goals of the 2023 GFOA and IGFOA conferences are to:

Audits Review the current status of single audits for insular governments from FY20 to FY22, including anticipated delays and ongoing strategies to catch up and issue timely audits. Discuss challenges that have arisen during the audit process and identify potential solutions to improve future audits.	Performance Measures Review insular government finance office performance measures and discuss potential modifications and reporting.	GFOA Discuss key issues presented at the GFOA Conference and their applicability to the U.S. affiliated insular governments.
Fed Programs Connect with GFOA's Federal Liaison Center to discuss current issues around ARPA, IRA, and IIJA; review changes to regulations and/or funding sources which may impact insular government financial operations.	GASB Review forthcoming GASB standards and plan for their timely implementation.	Action Planning Identify key takeaways from the week for each insular government and develop follow-up activities to ensure that the insights gained from the meeting are effectively applied in each government.
